

## HAMPSTEAD RFC

Directions to Hampstead Heath by coach or car

The best bet generally is to take either the M25 or the North Circular Road (A406) to the foot of the M1 or A1M and head for Finchley / Golders Green. Take the Finchley Road and turn left by the underground station into North End Road. After 600 yards, turn left into Wellgarth Road. Follow road to the left into Hampstead Way. After 200 yards, the changing rooms are visible on the right hand side set some 100 yards off the Way at the Heath Extension.

Getting there by tube

To get to the grounds via tube from central London, you need to get on the Northern Line and get off at Golders Green tube station, which is in zone 3. The ground is then a 8 minute walk. Turn left from the tube station up North End Road, and then take a left on to Wellgarth Road. Follow the road round into Hampstead Way and you will see the Pavilion on the Heath. Head for this and you are there. The actual pitches are 5 minutes walk from the changing rooms. Look for the posts.
